

Private Consultation Packages Transform Your Life!

Private Consultations with Michelle are a profound self discovery for those seeking to transform, integrate and experience greater connected relationships, mind/body connection.

Self-awareness creates such a profound ripple effect you cannot but create a greater impact in relation with yourself, family members, your children, business, relationships, your wealth, health and a new way of being.

Discover:

- More profound ways to effectively equilibrate your deepest secrets
- How to transcend traumatic events
- Learn how to equilibrate fear and guilt
- Find centredness and inner peace from the grief/loss of a loved one
- Bring balance to divorce, separation, relationship dynamics
- Greater appreciation and acceptance from Forced Adoption trauma, guilt, shame, blame

Private consultations are available by appointment and conducted either face-to-face, phone or Skype. Experience a renewed calm, focus and energy to enhance your health, wellness and life management.

A change of heart changes everything!
